volume discounts

\$1.60 discount for every two dozen mini cupcakes
\$2.75 discount for every one dozen Molly cupcakes
\$3.75 discount for every one dozen center-filled cupcakes

toppings

We offer lots of fun and colorful toppings, from candies to sprinkles to cookies. For a more sophisticated look, top your cupcakes with chocolate curls, fresh fruit or edible pearls. Toppings typically cost \$4 per each dozen cupcakes.

color and writing

Create a personal touch to your cupcakes or cake by adding initials or a message. We can also tint our frostings to match most colors. If you have a very specific color in mind, please bring a sample/swatch so we can match the color as closely as possible. We charge per color. (Costs vary depending on amount of cupcakes and detail of writing.)

center-filled

We offer about 12 to 15 center-filled cupcakes everyday and we often have additional seasonal flavors. Most of our center-filled cupcakes can be made into full-size cakes.

delivery

Delivery is \$45 to most Chicago neighborhoods. This does not include setup. Delivery to more remote neighborhoods and suburbs is available for an additional charge. Please email us the address, including zip code, for an exact quote. Setup is available for an additional \$25. Molly's does not provide stands or tiers.
